

CELEBRATING 15 YEARS OF SUCCESS

THE 15th edition of the DCS Awards 2025 is back to celebrate the remarkable achievements within the data centre industry. This year's event will recognise customer success stories, technological innovations, and significant contributions from both individuals and companies.

CATEGORIES REFLECTING INDUSTRY EVOLUTION

The data centre industry has experienced several significant changes reflecting both technological advancements and responses to global trends. There has been a stronger push towards sustainability, with more data centres adopting renewable energy sources, improving energy efficiency, and aiming for carbon neutrality. AI and machine learning are increasingly being integrated into data centre operations and there's a noticeable trend towards hybrid architectures that combine central data centres with edge facilities to enhance performance and reliability. The awards categories reflect the industry's current landscape with a strong emphasis on ESG (Environmental, Social, and Governance) initiatives.

The DCS Awards sees hundreds of nominations being entered which are then shortlisted for voting, culminating in a gala evening in London. Here, the winners are celebrated in a night filled with dining, entertainment, and networking.

HOW CAN YOU BE INVOLVED?

Right now, it's time to get nominating! Whether you want to nominate your own company, staff members and/or customers, we're sure there's at least one category which is just right for you across the 38 project, innovation and various other categories. It's also a good time to look at our sponsorship and marketing opportunities, as they work alongside the nomination and voting process.

The sooner you're involved, the sooner we can start promoting your company. There are many great value packages to share with you, so please do get in touch. Finally, while May 2025 might seem a long way away, make sure you put the date in your diary and make sure to reserve a table.

NOW GET NOMINATING

WHY ENTER?

MAXIMISE VISIBILITY

Free PR opportunities with months of marketing utilising the DCS portfolio.

POSITIONING

Position your product or service as an innovator in your field.

INCREASED CREDIBILITY

An award win, shortlisting or nomination acts as a 3rd party endorsement.

NETWORKING

Over 300 industry leaders attend the gala awards evening.

COMPETITIVE ADVANTAGE

Gain an advantage on your competitors.

NOMINATION IS FREE OF CHARGE

The DCS Awards panel will validate entries and announce the final shortlist to be forwarded for voting by the readership of the Data Centre Solutions publications. The winners will be announced at a gala evening at the Leonardo Royal Hotel London St Paul's, London on the 22 May 2025.

ASSESSMENT

WITH OVER 30 categories to choose from, the DCS Awards 2025 provides a wide range of options For organisations and individuals involved in the data centre industry to participate.

Our editorial staff will only validate entries ensuring they have met the entry criteria outlined For each category. We will then announce the 'shortlist' to be voted on by the readers of the Digitalisation World stable of titles. Voting takes place from 24 March to 25 April. The selection of winners is based solely on the public votes received.

The winners will be announced at a gala evening event on the 22 May 2025 at the Leonardo St Paul's, London.

Should your nomination be successful and reach the shortlist all material submitted will appear on The website for the public vote. Please do not include confidential information in your submission.

The Innovation awards are open to products and solutions that have been available in EMEA between 1 February 2023 and 31 January 2025 while the company and individual awards nominees must have been present in the EMEA market prior to 31 January 2025.

For the Rising Star of the Year Award the individual must have been working in the data centre industry for less than 6 years.

ENHANCE YOUR NOMINATION - £495.00

- Opportunity to enhance your nomination.
- Enhance your nomination on the voting page to include a video elevator pitch for your nomination
- Advertise your company - Website Banner advertising with 30,000+ impressions on www.datacentre.solutions (RRP £1185)
